Classes Led By Reggie Murphy

Reggie Murphy is one of the few state certified instructors currently working in active real estate listing and sales as well as management in one of Columbia's largest real estate firms. Reggie personally has participated in over 500 real estate transactions in his 19 years of sales experience and has supervised over 6000 transactions in 8 years as a

General Manager. This real life experience brought to the classroom is invaluable to the learning participants. His lively, humorous, downhome delivery will make you glad you chose this day for your education needs.

"Reggie's classes are fun and filled with information relevant to today's marketplace. If you've got to spend 8 hours in a classroom, you'll be glad it was this one!!" –

Ron Moser, Director of Sales, Marriott Corp.
